Football Canada

Established in 1884, Football Canada is the national governing body of amateur football in Canada and a proud member of the International Federation of American Football (IFAF). Working closely with the provincial football associations, we develop programs and resources for players, coaches, officials in the three disciplines of Tackle, Flag and Touch Football. Football Canada's vision statement is "from playground to stadium" where players can participate in the game of football throughout a lifetime recreationally, competitively and internationally.
